Brandi,

Per our discussion, in addition to the letter EPA received from Rep. Hastings and Rep. Diaz-Balart, the EPA received 3 other letters from members of the U.S. House, U.S. Senate and the Florida Governor regarding Florida Assumption. Two of these letters are currently controlled to OW for a response (see email and attachments), and we recommend re-controlling those to the Region for a response, consistent with the approach used for responding to Rep. Hastings and Rep. Diaz-Balart. In addition, we received a letter from Rep. Shalala (attached) which is currently not controlled, but we plan on issuing a response for Mary's signature to be consistent.

Also, would you please share the final letters that were issued to Rep. Hastings and Rep. Diaz-Balart, so that we can be sure to use the same/similar language?

Thanks!

Tom

Hi,

We received two controls from the Hill in support of FL assumption. Can someone (you all or the broader g team), prepare a response for Dave's signature? I would like to get John's review/okay for a template, and then we'll create copies for each member.

Due next week.

Thanks!
